EXXONMOBIL OIL CORPORATION SERVICE STATION #18-LLD
4715 VAN NUYS BOULEVARD, VAN NUYS, CALIFORNIA
(LAFD PERMIT #9691; FACILITY ID #29788)**

Dear Ms. Toney:

On behalf of ExxonMobil Oil Corporation (ExxonMobil), Holguin, Fahan & Associates, Inc. (HFA) is pleased to present the first quarter 2005 status report for the above-referenced site. The report presents a summary of the activities completed during the first quarter of 2005 and the activities planned for the second quarter of 2005.

On March 9 and 10, 2004, HFA installed groundwater monitoring wells MW-1 through MW-3 at the subject site in accordance with HFA's work plan for site assessment activities dated September 10, 2004, which was approved by the City of Los Angeles Fire Department in its letter dated November 16, 2004.

During the second quarter of 2004, HFA will submit a site assessment report documenting the installation of wells MW-1 through MW-3, and initiate a quarterly groundwater monitoring and sampling program. Based upon a review of the report, it is requested that jurisdiction of the case be transferred to the California Regional Water Quality Control Board - Los Angeles Region.
